### GENERAL INFORMATION

Founded in 2003, TEAM 413 has become the largest ministry for endurance athletes in the world. This will be the first official race sponsored by TEAM 413 - GRACERUNNER MINISTRIES and our partners. This event will also be our 10-year anniversary celebration! Run, walk, fellowship and worship with runners from all over the country. All proceeds from the race will help expand the ministry of TEAM 413 and enlarge our territory! Bottom line: All dollars will help us continue our efforts to "GET THERE AND SHARE" Christ with whosoever along our journey. Initial plans are to have a "night before" share time with music and speakers, a pre-race devotion and prayer time, and a post-race celebration with a contemporary Christian band. This will be an event that you will never forget! So, save the date! 4-13-13!

### VIRTUAL RACE INFORMATION

While we would love to have everyone attend the TEAM 413 events on April 13, 2013, we understand that there are some who will be unable to attend. We have many who serve our country in the military, others whose job will not allow them to be away, and some folks who have family and personal circumstances that will not permit them to travel. That being the case, we have added a "VIRTUAL" component to each race. If you register for one of these events, you will need to enter a race in your area that is approximately the same distance. We will send you an email with instructions of how you should report this to us. After receiving proof, you will receive a medal, shirt, and goody bag just as those who were able to travel to Alabama. The registration for the virtual races is more expensive because of shipping and handling. Please email [chris@team413.org](mailto:chris@team413.org) if you have questions.
